EA 82-0420/2
2 April 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Acting Director, Office of External Affairs
SUBJECT: Subjects to be Covered at the Narcotics Briefing of the House
Foreign Affairs Committee (HFAC), 22 April 1982

1. Based on the letter from Chairman Clement J. Zablocki (D., WI) (attached) and discussions with the staff, we believe that the Committee would like you to cover the following subjects at the HFAC briefing on illicit narcotics on 22 April:

- a) An overview of the Agency role in the illicit narcotics effort and our relationship with the other agencies involved in drug enforcement;
- b) A summary of how the Central Intelligence Agency collects, analyzes, uses, and disseminates intelligence on illicit narcotics;
- c) An explanation of the priorities assigned to collecting information on illicit narcotics in various places in the world.

25X1

e) There may be other topics such as crop analysis programs to help other countries do their own work, which you may wish to raise. The topics above are the major ones of interest to the Committee;

f) Because the Committee will have heard from the top officials of the other agencies, they will be looking for the same perspective 25X1 from CIA. In spite of your busy schedule, it appears that it would be best if you could do this briefing. The staff has emphasized that the Chairman would like you to appear.

2. If the above topics meet with your approval, we will contact the appropriate offices and get to work on the prepared statement for you.

Sir,

This doesn't say no, but there are of course the subject the DDI and the DDO feel can be covered in some detail -
